**Introduction to the Sacred Liturgy:** There is a regular tutorial on the Sacred Liturgy every Thursday from 5 - 6 pm at Maryvale. The tutorial combines catechetical, historical and practical aspects, and is open to all. It may be particularly helpful for those who are seeking to deepen their understanding of and participation in the Extraordinary Form of the Mass of the Roman Rite. There is no assumed knowledge. Participants are asked to bring a daily Latin/English Missal if possible. **Anyone who cannot make these classes but who may still wish for some assistance to participate more fully in the liturgy (for instance, by following a missal) is invited to contact the Fathers.**

**Volunteer needed:** to help take photos of liturgical and social events in the community. Those willing to give 12 months commitment will be given their own DSLR camera and full instruction. Please contact the Secretary for further details.

**Discern your vocation:** the Monastery of San Benedetto in Norcia, Italy, will hold its 11th annual summer vocational discernment program in 2011 from July 4 – July 29. The purpose of the program is to offer young men (usual age 18-30) a time to discern God's will for their life. Attendees will be invited to participate in the life of the monks as a way to guide their decision. Participants should try to arrive a few days early to get over the jet lag. To apply, please write to the Novice Master at [vocations@osbnorcia.org](mailto:vocations@osbnorcia.org) or visit <http://osbnorcia.org/cras/discernment-program/> for more information. *The Monastery of San Benedetto is built on the very birthplace of St Benedict! The community is just over 10 years old, and is composed mainly of native English speakers. The daily Conventual Mass is in the Extraordinary Form, and the monks sing the traditional Monastic Office.*

**Lenten programme: a weekly discussion group based on Pope Benedict's forthcoming book on the Passion, Death and Resurrection of Our Lord. More details soon!**
